Joe,

I am going to send just a short note to thank you for a great hunt and two day vacation. Everyone expressed not only satisfaction, but the fact that your hunt is easy, comfortable, affordable, and many other adjectives too numerous to list here.

Personally, the only regret I had was that I didn't have my dog with me, first time she has missed a trip in two years.

I hope you have the time to send me your openings for January as I would like to try to make a second trip later in the season to make some comparisons for myself. Enclosed you will find the photos I promised along with my business cards.

In addition to my taxidermy business, for the past 16 years I have been booking hunting and fishing trips around the world. I was wondering if you have enough slots from year to year maybe we could work something out in terms of my finding clients to book with you and me hunting with them if you were interested?

In any event, again I want to thank you for a safe and professionally guided hunt that I thoroughly enjoyed.
